UI DESIGN AND PROTOTYPING REPORT

1. INTRODUCTION

Asexuality, sometimes considered a lack of sexual orientation, is a low/absent desire for sexual activity and a lack of sexual attraction to anyone. The prevalence of asexuality is estimated merely 1%.

In this project, I plan to build a dating web/mobile app to help the asexual population to look for romantic non-sexual partnership.

The expected List of features include:

A. Introduction of Asexuality

- Explain the concept and provide a list QA and introduce the app

B. Sign up/Sign in/reset Password

C. Search

- Allow users to search for other users based on customized condition.

D. Friends/Message

- Allow users manage a friend lists and send messages with their friends

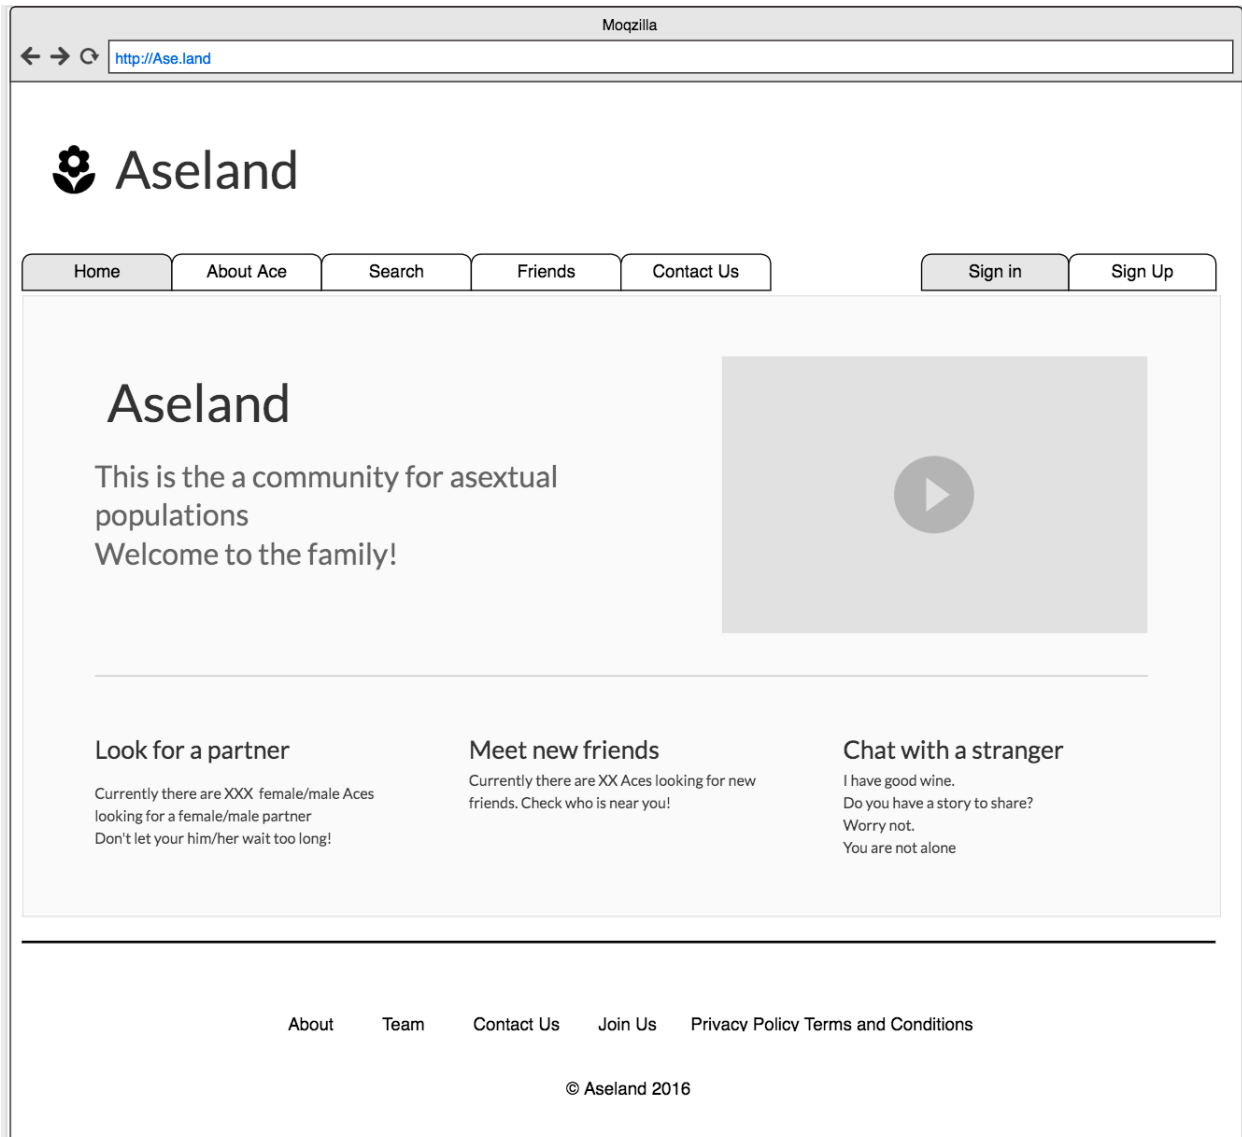

E. Donate/Contact

- Allow users to donate to the website and send feedback/suggestions.

2. USER INTERFACE DESIGN AND PROTOTYPE

What is asexuality?

Asexuality is the lack of [sexual attraction](#) to anyone, or low or absent interest in or [desire](#) for [sexual activity](#).^{[1][2][3]} It may be considered the lack of a [sexual orientation](#), or one of the variations thereof, alongside [heterosexuality](#), [homosexuality](#) and [bisexuality](#).^{[4][5][6]} It may also be an [umbrella term](#) used to categorize a broader spectrum of various [asexual sub-identities](#). A study in 2004 placed the prevalence of asexuality at 1% in the British population.^{[4][7]} Asexuality is distinct from [abstention from sexual activity](#) and from [celibacy](#).^{[8][9]} which are behavioral and generally motivated by factors such as an individual's personal or religious beliefs.^[10] Sexual orientation, unlike sexual behavior, is believed to be "enduring".^[11] Some asexual people engage in sexual activity despite lacking sexual attraction or a desire for sex, due to a variety of reasons, such as a desire to please themselves or romantic partners, or a desire to have children.^{[3][8]} Acceptance of asexuality as a sexual orientation and field of [scientific research](#) is still relatively new.^{[1][3][5]} as a growing body of research from both sociological and psychological perspectives has begun to develop.^[3] While some researchers assert that asexuality is a sexual orientation, other researchers disagree.^{[5][6]} Various asexual communities have started to form since the advent of the World Wide Web and social media. The most prolific and well-known of these communities is the Asexual Visibility and Education Network (AVEN), which was founded in 2001 by [David Jay](#).^{[6][12]} The First Leading Asexual Character May Be On 'BoJack Horseman'.

What is Aseland?

Aseland was a free online community where asexual population can look for partners and friends and share their stories. It was founded in 2016 by a group of programmers and currently maintained mostly depending on small donations from users.

If you are interested in joining the volunteer team, please see contact us section.

A. Introduction of Asexuality

F. Sign up/Sign in/reset Password

Sign up

The image shows a mobile application interface for signing up. At the top, there's a black status bar with icons for Wi-Fi, cellular signal, and battery, along with the time 07:53. Below this is a white header with the Aseland logo (a flower icon) and the name "Aseland". A placeholder image for a profile picture is shown. The main section is titled "Create Account" and contains several input fields: "Nickname" (a text box with a blue border), "Year Of Birth" (a date picker), "Gender" (a dropdown menu), "romantic orientation" (a dropdown menu), "Current Location" (a dropdown menu), and "I am looking for" (a dropdown menu). Below these is the "Account Information" section, which includes "Email", "Confirm Email", "Password", and "Confirm Password" fields. At the bottom, there's a checkbox for "I agree with the terms and conditions.", a blue "Cancel" link, and a blue "Create Account" button. The bottom of the screen features a black navigation bar with standard Android icons: a triangle, a circle, and a square.

forget password request

A screenshot of a mobile application interface for a password reset. The screen has a light gray background. At the top, there is a black status bar with white icons for Wi-Fi, cellular signal, and battery, along with the time 07:53. Below the status bar is the Aseland logo, which consists of a stylized flower icon followed by the word "Aseland" in a sans-serif font. The main text in the center reads "Your password has been reset!". Below this text are two light gray rectangular input fields. The first field is labeled "New Password" and the second is labeled "Confirm New Password". Below these fields is a blue rounded rectangular button with the text "Change Password" in white. At the bottom of the screen is a black navigation bar with three white icons: a triangle, a circle, and a square.

Info

Feature Request

A mobile application interface for submitting a feature request. The app has a white background with a black status bar at the top and a black navigation bar at the bottom. The status bar shows a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 07:58. The app's logo, a stylized flower icon, is in the top right corner next to the text "ASELAND". Below the logo, the text "Tell us about the feature you desire" is centered. The form consists of four input fields: "First" and "Last" (width 150px, height 30px), "Email" and "Subject" (width 150px, height 30px), and a large text area for the message (width 350px, height 100px) with the placeholder text "Your message here...". At the bottom of the form are two buttons: a blue "Submit" button (width 50px, height 20px) and a gray "Cancel" button (width 50px, height 20px). The navigation bar at the bottom contains three icons: a back arrow, a home circle, and a recent apps square.
